July 3 - July 25, 2015

We invite you to experience our 3-week summer program for ESL students.

Academics

The three-week Summer ESL Camp is designed to provide students with the opportunity to immerse themselves in the culture while improving their English skills. Our curriculum is differentiated in order to accommodate various levels of English fluency. In addition to English classes students will have the opportunity to enjoy computer science and art classes. All work is assigned based on individual assessment and progression.

Activities

To complement the academic learning that takes place in our classrooms, we schedule daily physical activity each weekday as well as weekend excursions designed to culturally enrich and entertain students. Weekday activities take place, after our last class of the day, on our campuses and at other locations in the Charlottesville area. These activities include swimming, soccer, tennis, and other team games geared at lifelong fitness and teamwork. Friday night and weekend activities take our students off campus to experience other adventures offered by our beautiful state of Virginia.

These activities include trips to Monticello – the home of Thomas Jefferson, an amusement park, local outdoor attractions, and performances, as well as a summer-culminating all-day trip to Washington, D.C. to see some of our nation's most noteworthy memorials, museums, and government buildings.

Residences

Students live on our Greenway Rise Campus in our attractive and spacious boarding facilities. Our dormitories are arranged in suites hosting 4-6 students. Depending on the size of the room, 2-3 students live in one room on either side of a shared bathroom.

Location

Founded in 1910, St. Anne’s-Belfield School has provided high quality education to its students for over 100 years. Our campus is located in the heart of Charlottesville, Virginia, 100 miles from Washington, D.C., on two campuses totaling nearly 50 acres. Students attending our Summer ESL Program are provided all the opportunities of being part of the Charlottesville community. Our location exposes students to cultural and musical events, historical landmarks, and natural beauty.

For a dynamic tour of our campuses, visit us online at www.stab.org/tour.
