*** Indicates “earned honors” credit**

These courses offer students the opportunity to push their learning beyond the standards of the core curriculum. Students who choose to pursue earned-honors will complete differentiated assignments and assessments and be held to heightened expectations. Those students who meet honors expectations over the course of the year earn a 0.5 GPA boost for the final grade.

**** Indicates “earned AP” credit**

These courses are offered as an overlay to an existing course. Students who choose to pursue Advanced Placement credit will complete differentiated assignments and assessments. Work will be evaluated based on standards determined by the College Board. Those students who meet AP expectations over the course of the year earn 0.5 GPA boost for the final grade.

Please note: Electives change from year to year, please consult the Upper School Curriculum Guide for this year’s courses.
