Date of Conference:

1. Tell me about your child's experience last year. Is there anything about their past educational experience that you'd like us to know?
2. How is your child feeling about the start of school? What specific concerns or excitement has your child expressed?
3. What are your child's greatest strengths or skills?
4. What are the opportunities and obstacles to learning have you identified for the start of this year?
5. Tell me about your child's experience at home.
 - a. What languages are spoken in your household? Would your family benefit from translated school materials or the support of an interpreter at parent/guardian conferences?
 - b. What other adults or children are part of your child's life at home?
6. How and when would you like me to be in touch with you this year? What do you hope I'd communicate with you about? Are there any other supportive adults I should include in my communication with you?
7. What else would you like me to know about your child or your child's developing identity?
8. There may be times when it is necessary for students to work digitally from home.
 - a. Do you have access to reliable WiFi at home?
 - b. What technical support would your family or child need/benefit from?
