## Summer Reading Challenge for Grades 3-4

Have fun visiting your local library with this summer's optional reading challenge! Read, partner-read, or be-read-to up to 30 books, checking them off as you go. Helpful hint: try to find books from different genres that fit the descriptions below. Write down the titles of the books you find, so we can talk about your favorites when we all come back to school. Happy reading! - Ms. Robinson (School Librarian)
