Upper School School Supply List for 2023-2024

- ☐ #2 pencils, pens and highlighters
- ☐ 3-ring binders (2 - 3) and 3-hole punched paper
- ☐ An academic planner (recommended for grades 9 and 10)
- ☐ A reusable water bottle
- ☐ **Course Books** (listed and available [here](#)) may be purchased from any bookstore.
- ☐ **Laptop** for class and a charger to use at school. See the [BYOD Website](#) for detailed device requirements.
- ☐ **Scientific Calculator** for Math and Science: TI84+
- ☐ **Wired Headphones:** Wired headphones are required so that charging is not an issue. If your child does not have a set of wired headphones (3.5 mm headphone plug) that you are comfortable with sending to school, please consider one of the following options:

- ☐ Option 1: [Apple Earpods with plug](#)
- ☐ Option 2: [Sony Headphones](#) (any color)
- ☐ Option 3: [PeohZarr Headphones](#) (any color)

- ☐ **Backpack:** We recommend that backpacks include a padded space for a laptop and ample room for books and school supplies.
- ☐ **Instrument:** Members of the orchestra program will need an instrument and should bring it on the first day of school, August 23. If your child will be renting an instrument, please complete the [rental form](#) and payment before the start of school. Instruments will be assigned once classes begin. Instrument rentals are available through the School for \$275 per year. This fee is significantly less expensive than other local options and provides a higher quality instrument that is maintained by the School. For financial assistance with this fee, please contact Morgan Rakes at mrakes@stab.org
