BACK TO SCHOOL PACKET
2019 - 2020

St. Anne's-Belfield School

Dear Learning Village Families,

We have barely closed the door on the 2018 - 2019 school year, and yet I'm already deeply engrossed in the work of preparing for the 2019 - 2020 school year. While you still have many sunshine-filled summer days ahead, I know that summer is also a busy time of maintaining schedules and appointments and juggling vacation and summer camp calendars. Our hope is that the following will provide you the information that you need to start preparing for the school year ahead, whenever you're ready to use it.

Below, you will find a checklist of forms/paperwork needed for Grades K - 4 (*Please note: Paper copies of forms not on MagnusHealth are also available by visiting the Grades K - 4 Office which is open Monday – Friday, 9:00 a.m. – 3:00 p.m.*)

This mailing also includes the following information:

- **Supply Lists & Uniform Dress Code information:** The back-to-school supply and clothing sales are starting earlier and earlier. In fact, Lands' End is hosting a Back-to-School Savings event July 8 - Aug. 2. The supply list for your student's grade is also included in this packet. Please note that the School tends to supply many of the basic materials and asks students to purchase supplies that will benefit them in organization and study skills.
- **Morning Care, After School Enrichment Program, & Kinderlime:** A quick review of our morning care hours as well as information on how to sign up for Kinderlime in order to pay for our After School Enrichment Program (ASEP).
- **Attendance Protocol & Anticipated Absence Forms:** As you can imagine, the School's philosophy lands firmly on the side that students should be participants in their classroom spaces as much as possible. I also understand that special family events, illnesses, and other emergencies come up that result in a student needing to miss school for a certain period of time. I would ask that families consider the academic and social-emotional consequences of their student missing school for extended periods of time. Please review the attendance policy and information and have an Anticipated Absence form handy at home for when it is needed.
- **Technology Information:** A quick review of our technology program for Grades K - 12.
- **School Nurse Letter:** This letter reviews the important medical information that is to be submitted through MagnusHealth for your student.
- **Instructions for MagnusHealth:** Introduced in 2018, MagnusHealth is the School's system for housing and collecting all health-related paperwork, from the School Health Entrance Form to physicals to authorization to give medication. When you visit the portal for the first time, you will fill out some conditional questions that will help you locate the forms you need for your student. All forms will be submitted directly to MagnusHealth via mail, email, or uploading through their mobile app or website portal.
- **For New Grades 1 – 8 Students Only - Summer Orientation Week:** A reminder about our summer orientation program for students new to our School community.
- **Major Dates & Arts Calendars:** Please highlight and take note of important daytime and evening events, as well as days where there is no school or an early dismissal.

SAVE THE DATE

You'll hear from me next in August when you'll receive an email with digital packets with information about:

- Preparing for our Parent Partnership meetings/conferences on Aug. 19.
- Our welcome events for new families the week of Aug. 18. More formal invitations to come.
- Our first day of school, which is on Aug. 22.

Until then, I hope you enjoy the peace and quiet of the warm summer nights ahead.

Best,

Shannon Montague

Head of the Learning Village

TIPS FOR COMPLETING THE CHILD REGISTRATION FORM

- Please be sure to fill out every section, please leave no blanks.
 - If a specific box does not apply, mark "N/A" in the box.
 - If the registration form is not completed, your student(s) cannot attend St. Anne's-Belfield School or the After School Enrichment Program (ASEP).
- Please complete a registration form for EACH student. References cannot be made from one registration form to another.
- Consider writing a **cell phone** instead of a **home phone** if that number is the best number to reach you after school.
- In the section entitled "Two People to Contact if Parent(s) Cannot Be Reached", list the names of two people, complete with physical (street) addresses (no P.O. Boxes) and phone numbers, who live in Charlottesville or the surrounding area (not more than one hour away). Listing persons who live out of the area is not practical because their help cannot be enlisted in an emergency nor is it allowed by the Department of Social Services for state licensing.

PE & Athletic Shoe Policy

In order to maintain the high quality of the Conway Convocation Center and Tarring Gymnasium floors, to promote and maintain student safety, and to conform to the recommendations of the manufacturers for the maintenance of the floors, St. Anne's-Belfield School has adopted an Athletic Shoe Policy. All students are required to wear a separate pair of athletic shoes when participating in activities in the Conway Convocation Center and the Tarring Gymnasium. This policy pertains to physical education classes, practices, games, or any activities in these facilities. When purchasing athletic footwear, it is important that you request shoes with non-marking soles.

UNIFORM DRESS CODE

The St. Anne's-Belfield School uniform dress code deepens our sense of community while allowing students the freedom to focus on their passions and pursuits.

Lands' End has established a [custom website](#) for St. Anne's-Belfield School that provides an interface to browse and purchase clothing items that have been approved by the School. It is available all year, so families may purchase items as students grow and as the seasons change. Our unique school ID number: 900144775. If you have any questions, please email Lands' End directly.

The Parents' Association (PA) operates Saints' Closet, gently-used uniform sales in August and every third Friday throughout the year starting in September. Donations and consignments are being accepted in the gray bin in the Grades 5 - 8 Office through July 31. Please [fill out this form](#) and include it in your bag of items and [click here](#) to learn more about Saints' Closet. The PA will pay out at 30% of the sale price upfront for all "very good condition" consignment designated items. Items donated (not consigned) return 100% of proceeds to the Parents' Association to support its programming and initiatives.

Grades K – 8 Uniform Dress Code Requirements

- All students are required to wear clothing that appears on the Lands' End website, and they may do so in any combination that they choose. The only exception to this general rule is that clothing in the "Activewear" category (t-shirts and mesh shorts) is only to be worn for physical education (PE) classes in Grades 5 & 6.
 - Students are not required to have any particular items, and are not required to have all of these items.
 - Pre-School students are not required to purchase or wear these items.
 - You may elect to have Lands' End print a School seal on many of the items that you purchase, but doing so is not a requirement.
 - In Grades K - 4, all girls' legwear must be School colors only: maroon, white, black, or gray. In addition, boys' socks must also be one of the School colors.
 - Skirts and dresses cannot be more than four inches above the knee.
- Students may only wear sweatshirts and sweaters that have been purchased either from Lands' End or the [School Store](#).
- Jackets and outerwear need not be purchased from Lands' End, but such attire may not be worn inside buildings during the school day.
- In addition to regular winter jackets, students may wear School gear (sweatshirts, team jackets, etc.) as outerwear during the cold weather.
- Physical education requirements (Grades 5 & 6)
 - Students in Grades 5 & 6 are required to purchase and wear separate clothes for their PE classes from Lands' End.

St. Anne's-Belfield School

Grades K – 8 Chapel Dress

Students in Grades K - 3 wear their normal uniforms to Chapel.

Students in Grades 4 - 8 adhere to the following:

- All clothes are to be clean and in good condition
- Girls should wear uniform dresses, skirts, or dress slacks and uniform blouses
- Boys must wear uniform dress shirts that are tucked in with a belt and tie
- No polo shirts

No sweatshirts or outdoor jackets may be worn in Chapel for girls or boys

Performing Dress Requirements

Students performing in musical events may be required to wear particular clothing. More information will be distributed prior to performances.

Blue Denim Days

On Blue Denim Days, students may wear jeans of their choosing (no shorts or colored denim) that are in good condition without holes or tears but must wear a Lands' End uniform top. In the Learning Village, Blue Denim Days are the first Thursday of every month, unless otherwise announced.

- Grades K - 4: 8:00 a.m.
- Grades 5 - 8: 8:10 a.m. (Office Hours) & 8:20 a.m. (Advisory)

As a school, we understand that sometimes life demands that a parent drop off their student before the official start of the day. The following times are when divisions open for early morning care. Early morning care is available free of charge.

- Grades K - 4: 7:30 a.m. in the 1 & 2 Commons
- Grades 5 - 8: 7:30 a.m. in the 5 & 6 Commons

Grades K - 8 Dismissal Times & After School Options

The school day officially ends at the following times for students:

- Grades K - 4: 3:15 p.m.
- Grades 5 & 6: 3:35 p.m.
- Grades 7 & 8 (School Sponsored Activity): 4:10 p.m. (Monday - Thursday) & 3:35 p.m. (Friday)
- Grades 7 & 8 (Non-School Sponsored Activity): 2:45 p.m.

Grades K - 8 After School Enrichment Program

The After School Enrichment Program (ASEP) for students in Grades K - 8 takes place on the Belfield Campus next to the Tarring Gym in a fun and safe environment. Trained ASEP leaders provide a natural extension to the school program. The schedule includes games, arts and crafts, physical activity, homework time, and a snack.

Mondays - Fridays

- Grades K - 4: 3:15 - 5:30 p.m.
- Grades 5 - 8: 3:30 - 5:30 p.m.

ASEP will be operational the first day of school and each day thereafter on which regular classes meet, as well as the last day of school.

Students may attend ASEP on a drop-in basis for a daily rate of \$20 per day or families may opt for an annual plan through the St. Anne's-Belfield School Business Office. Please note that there is a fee for late pick-up.

Parents new to the School will receive an email from [Kinderlime](#), a tool for student sign-in and sign-out as well as billing for our ASEP programs, asking them to register for an account in August. Please be on the lookout for that. Anyone who uses ASEP or has a student enrolled in the Pre-School program must have a Kinderlime account.

St. Anne's-Belfield School

ATTENDANCE, ABSENCES, & TARDINESS

Homeroom classrooms open at 7:55 a.m. and classes begin promptly at 8:00 a.m. School hours are from 8:00 a.m. - 3:15 p.m., Monday - Friday. Students who are not in their classrooms at 8:00 a.m. are marked absent. The K - 4 academic secretary will call you after 9:00 a.m. if the reason for your student's absence is unknown. This practice is for your student's safety. Attendance that is not reported will be marked as unexcused until the main office and the family connect.

If your student is not attending school on any given day due to illness or an emergency situation, please make sure to inform the K - 4 academic secretary. You may either call (434) 295-0106 or email lvattendance@stab.org. If a student will be late, please call or email as soon as possible.

Excused absences are those which arise from sickness, trauma, or crisis. Students are expected to be in school except for illness or serious emergency. Frequent or sustained absence may seriously hamper academic progress. For that reason, it is very important for parents and students to make every effort to be diligent about school attendance. A student who arrives late must be signed in by a parent, or designated adult, in the Grades K - 4 Office. If a student is late due to a medical appointment, please make sure to get a note from their doctor to present to the office upon arrival. Students should not be taken out of school for routine appointments; rather, parents should attempt to schedule appointments for days when school is closed or after school hours.

If a student must leave school before the regular dismissal time, parents should send a note to the homeroom teacher and the main office before 9:00 a.m. explaining the reason. Included in the note should be the exact time the student is to be picked up, who will pick up the student, and the estimated time the student is expected to return. Parents must sign their student out and in at the Grades K - 4 Office whenever they leave school and return before the regular dismissal time. Students may not wait outside unattended to be picked up.

Absences for reasons other than illness or family emergency are strongly discouraged and are considered unexcused. If a student earns more than three unexcused absences or five unexcused tardies in a trimester, the family may be asked to meet with the head of the Learning Village for a conversation on how the School and family can better partner. An Anticipated Absence form is required for any pre-planned absence. These forms may be obtained in the Grades K - 4 Office and must be approved by the head of the Learning Village at least 48 hours prior to the planned absence. For any anticipated absence, parents should also talk with their student's homeroom and reading/language arts teachers.

When students are absent, parents should contact the homeroom teacher to request homework assignments. The assignments may be sent home with another student or picked up in the Grades K - 4 Office at the end of the school day.

TECHNOLOGY PROGRAM

Dear Parents,

Please find a quick review of our technology program here at St. Anne's-Belfield School.

We are a Google Apps for Education school. All Google core and additional services are set up and maintained by the IT department with the recommendations of a third party who specializes in Google for education.

Student accounts are activated beginning in fourth grade when they have access to Google Drive for word processing. In fifth grade, the full suite of core Google Apps is introduced, including email accounts.

In Grades K - 6 we have a 1:1 program in which every student has either an iPad or MacBook for their use during school hours. These devices remain at school.

- Grades K - 8 students have access to two computer labs, one outfitted with MacBook Air laptops, the other with PC computers.
- Grades K - 4 students are assigned a School-owned iPad for their daily use at school.
- Grade 4 students have access to 30 MacBook Air's that are shared amongst the classes.
- Grades 5 & 6 are issued a school-owned MacBook Air, which is available for their daily use at school.

Students in Grades 7 - 12 will participate in our BYOD Program and will use their own personal laptops at home and school. Current system requirements for BYOD may be found at www.stab.org/byod.

One important change regarding BYOD requirements. The school's wireless networks will no longer support devices only capable of 2.4 GHz wireless frequencies. Please ensure your wireless adapter is capable of 5.0 GHz. If you have any questions regarding requirements, you can always reach out to the IT department.

St. Anne's-Belfield does not offer the purchase of devices through the School. This was largely determined because the price of laptops and warranty bought through the School was equivalent to the price from an outside reseller.

The School is committed to ensuring that every student has a device under the BYOD program and will work with any family that is concerned about affordability.

Thank you,

Michele Mathieson, *Learning Village Innovation Coordinator*

Mark Adair, *Co-Director of Technology*

Stephen Gagnon, *Co-Director of Technology*

St. Anne's-Belfield School

SCHOOL NURSE

Dear Parents & Guardians,

I look forward to another year as the School Nurse for St. Anne's-Belfield School, coordinating health care/health concerns for all students. Throughout the 2019 - 2020 school year, I will be sending out various communications with information or requests, but for now, I have five items that I would like to address:

1. All medical forms should be submitted electronically through MagnusHealth. If you have not already completed this information, please do so by Aug. 19. Depending on age and how long they've been at the School, students have different requirements. MagnusHealth will know based on your answers to preliminary questions what forms you will need for your student.
2. If your student's medical information changes at any time after these forms are completed and you need to amend the information, please contact me directly so that I can update them.
3. St. Anne's-Belfield School follows the Virginia State Law regarding medication administration. Medication will only be given to students by School personnel when written permission is obtained from the physician and the parent. This permission is granted through the Authorization and Consent to Medical Treatment form filled out by the parent of students in Grades K - 12.
 - a. Medication should be brought in by the parent/guardian. Students may not carry medication during the school day. All medication must be given to the School Nurse. If, however, it is medically necessary for a student to store medication in the classroom or self-carry, then a special form must be completed by the parent and physician. Please note that if your student is going to attend ASEP and needs emergency medications then two of these medications need to be provided to the school. One will be stored in the nurse's office and the other in the ASEP office. Please contact me for more details regarding this form or any requirements stated.
 - b. The medication must come to school in a pharmacy-labeled container including doctor's name, student's name, drug, time to be given, and amount. If the medication needs to be given at school, the parent/guardian needs to divide the amount into separately labeled bottles for school and home. The medication guidelines also apply to those students who use inhalers and EpiPens.
4. Medication guidelines noted above apply to prescription as well as over-the-counter medications. If you feel your student may need Tylenol or Ibuprofen prior to school, please evaluate whether attending school is the appropriate action.
5. Cough drops/lozenges will not be given out this year as these over-the-counter medications run the risk of choking.

Please continue to call me for any questions/concerns regarding your student's health. You can reach me through the nurse's office at (434) 295-0106 ext. 1260 or kmuthiora@stab.org.

Thank you for your continued support!

Sincerely,
Kelly Muthiora
School Nurse

WHAT IS MAGNUSHEALTH?

St. Anne's-Belfield School uses MagnusHealth, an extension of Veracross, as an electronic record collector for all School-required health and yearly paperwork (Grades K – 12). MagnusHealth allows paperwork and information collection to be more convenient, secure, and streamlined.

How do I log in to MagnusHealth?

To log in, please go to www.stab.org/magnus. Your MagnusHealth login information is the same as Veracross. 24/7 assistance for MagnusHealth can be found at www.magnushealth.com/parents.

What paperwork is required for my student and how do I complete it?

Once logged in, you will be directed to your “Front Desk” where all of your student’s portals will be visible. Click on the yellow “Complete Now” button to begin.

Some of your student’s requirements will be pre-loaded into their portal based on requirements for their grade or division. Other requirements are conditional based upon your answer to a question. For example, if you answer “Yes” to “Is your student a boarding student?” all of the paperwork for a boarding student will be added to the student’s requirements.

Many of the requirements can be completed/signed online. To do so, click on the yellow “Fill it Out” icon. Any requirement with a paper icon beside it must be printed and completed on paper. Click “Print Blank Forms” at the top left corner of the page to print the entirety of your student’s forms.

To turn in completed forms, click on the “Turn it in” button next to the requirement name; this will allow you to upload the form from your computer (as a picture or PDF) **OR** completed forms can be mailed to MagnusHealth at:

MagnusHealth
Attn: Student Medical Records 5
14 Daniels Street #367
Raleigh, NC 27605

If you have trouble logging into Veracross, please contact Birgit Gutkowski (bgutkowski@stab.org). If you have questions regarding MagnusHealth or forms, please contact Athletic Trainer Lizzie Leitch (lleitch@stab.org) or School nurse Kelly Muthiora (kmuthiora@stab.org).

GOOGLE APPS FOR EDUCATION INFORMATION

St. Anne's-Belfield School uses Google Apps for Education for students, teachers, and staff. This information sheet describes the tools and student responsibilities for using these services. As with any educational endeavor, a strong partnership with families is essential to a successful experience.

The following services are available to each student and hosted by Google as part of St. Anne's-Belfield School's online presence in Google Apps for Education:

- **Mail** - an individual email account for school use managed by St. Anne's-Belfield School
- **Calendar** - an individual calendar providing the ability to organize schedules, daily activities, and assignments
- **Docs** - a word processing, spreadsheet, drawing, and presentation toolset that is very similar to Microsoft Office

Other educationally sound and age-appropriate web tools and apps, both within Google Apps for Education and found elsewhere on the internet, may be implemented over the course of the school year.

Using these tools, students collaboratively create, edit and share files and websites for school related projects and communicate via email with other students and teachers. These services are entirely online and available 24/7 from any Internet-connected computer. Examples of student use include showcasing class projects, building an electronic portfolio of school learning experiences, and working in small groups on presentations to share with others.

Technology use in St. Anne's-Belfield School is governed by federal laws including: Children's Online Privacy Protection Act (COPPA)

COPPA applies to commercial companies and limits their ability to collect personal information from children under 13. Parents are provided the opportunity annually to opt out of disclosing their student's directory information on the St. Anne's-Belfield School's Enrollment Form. <http://www.ed.gov/policy/gen/guid/fpco/ferpa>
