

The Arts Boosters of St. Anne's-Belfield School is a parent-run organization dedicated to enhancing the arts culture & programming within all school divisions.

The committee is open to any parent interested in the arts. Committee meetings are held 4-6 times per year. Committee members volunteer in many ways to support our arts faculty, from helping with school-wide arts events to working backstage at performances.

Runway Show & Fine Arts Showcase – January 12 & 13

This signature event offers Upper School students the opportunity to design and construct a garment made of non-traditional clothing materials (think Project Runway). Students model their garments in the annual Runway Show, which also features performances by select choral and orchestral groups.

The Boosters play a valuable role in the logistics for this event.

- ⇒ **How to volunteer:** help with accessory workshop, plan the event, ticket sales, work ticket table, help set up & clean up the event

Upper School A Capella Fest – March 23

In cooperation with the school, the Arts Boosters hosts A Capella groups from the Charlottesville community at this annual event with all-day workshops and mentoring followed by a public evening performance of musical selections from various local schools.

- ⇒ **How to volunteer:** help register and greet, check in groups for dinner, work ticket table, sell concessions, clean up

All-School Student Art Show – April 11

Student art is on display on both campuses at the end of April through early May. The Arts Boosters hosts an Opening Reception in the LV for this student show with guided tours and light refreshments.

- ⇒ **How to volunteer:** host refreshment table after school

Plant Sale – April

For this fundraising event, families and friends are invited to purchase a variety of beautiful plants by preorder or at the sale in the CCC circle.

- ⇒ **How to volunteer:** help select plants, sign up for a time slot to sell plants
